Are you temporarily employed in Berlin or surroundings?  
Have you been posted to Germany by an employer from another EU Member State?  
Have you been asked to register as self-employed ('Gewerbe')?  
Are you a seasonal worker?

Do you have questions regarding the legal situation of your employment?

- Which legal provisions apply to my employment contract?
- What does it imply for my social insurance?
- Which safety and occupational health provisions can I request from my employer?
- What can I do if I don't receive the agreed wage?
- What wage level am I actually entitled to?
- What happens if I get fired?
- What does it mean when I register as self-employed?

**Please contact us!**

**We listen to you and offer counselling and support for free!**
